If you download and use the images of the 'RAISE', you agree to the following license agreement.

## LICENSE

Copyright (c) 2014 MMLAB

All data provided in the 'RAISE' are made freely available for scientific, non-commercial purposes such as academic research, teaching, or personal experimentation. Permission is granted to use and copy the provided data given that you agree to the following conditions:

1. The provided data comes "AS IS", without express or implied warranty.
2. A reference to our paper <To be published> is included in any published work using the provided data either as a whole or in parts.
3. You may not use or distribute the data or any derivative work for commercial purposes as, for example, licensing or selling the data, or using the data with a purpose to procure a commercial gain without written permission.
4. All copies or derivatives of the provided data must retain the above copyright notice, the license including all conditions and a link to the original website <http://mmlab.science.unitn.it/RAISE/>.
5. All rights not expressly granted to you are reserved by the authors.
